

ADVOCACY

We work with a number of organizations to collectively engage with other investors on topics that impact the sustainability of the companies that we own, we also work with the organizations below to enhance our advocacy efforts. These organizations are focused on enhancing the sustainability of the overall investment industry. The WSIB also periodically contributes to research conducted by our partner organizations to help do our part to improve the function of capital markets over the long term.

CERES

Ceres is a nonprofit advocacy organization working to accelerate the transition to a cleaner, more just, and sustainable economy. Ceres makes the business case for action on the greatest sustainability challenges facing our world today: climate change, water scarcity and pollution, and nature and biodiversity loss.

COUNCIL FOR INSTITUTIONAL INVESTORS

CII is a leading voice for effective corporate governance, strong shareholder rights and sensible financial regulations that foster fair, vibrant capital markets. CII promotes policies that enhance long-term value for U.S. institutional asset owners and their beneficiaries.

FCLT GLOBAL

FCLTGlobal's mission is to focus capital on the long term to support a sustainable and prosperous economy.

INTERNATIONAL CENTRE FOR PENSION MANAGEMENT (ICPM)

ICPM is a global network of pension organizations that focuses on fostering long-term investing, strengthening governance of pension investments, and improving design and governance of pension schemes.

INSTITUTIONAL LIMITED PARTNERS ASSOCIATION (ILPA)

ILPA engages, empowers and connects limited partners to maximize their performance on an individual, institutional, and collective basis.

JP MORGAN SCOTTSDALE ACTION FORUM

A gathering of CEOs, world leaders, and institutional investors to come together to discuss critical sustainability topics such as decarbonization initiatives and the energy transition.

OWNERSHIP WORKS

Ownership Works is a nonprofit organization that partners with companies and investors to provide all employees with the opportunity to build wealth at work.

SOCIETY FOR CORPORATE GOVERNANCE

The Society for Corporate Governance's role is to serve members by providing practitioners with the knowledge, skills, and tools to promote effective governance for the benefit of boards, management, and shareholders.

SUSTAINABLE MARKETS INITIATIVE

The Sustainable Markets Initiative's mandate, better known as the Terra Carta, has a mission to build a coordinated global effort to enable the private sector to accelerate the achievement of global climate, biodiversity and Sustainable Development Goal targets.

WORLD ECONOMIC FORUM

The World Economic Forum is the International Organization for Public-Private Cooperation. It provides a global, impartial, and not-for-profit platform for meaningful connection between stakeholders to establish trust and build initiatives for cooperation and progress.
